MEMORANDUM FOR: Deputy Director (Support)

25X1A

SUBJECT : Proposed Construction at [REDACTED]

1. This memorandum contains a recommendation for your approval. Such recommendation is contained in paragraph 3. 25X1A

2. Fiscal Year 1961 funds in the amount of [REDACTED] were approved for construction at [REDACTED]. Bids were received on 27 June 1961 and the successful bid for all work was [REDACTED]. The A & E costs were \$12,900 and the [REDACTED] Administrative Charges are \$13,349. Thus a total of [REDACTED] is required if all planned work is accomplished. Deductive items were included which would make it possible to award a contract within the funds available; however, all planned work is considered necessary and if not done now would doubtless be accomplished in Fiscal Year 1962. 25X1A 25X1C

3. In order to accomplish all required work and allow an approximate 11 percent Contingency, an additional \$25,000 is required. Confirming my telephone conversation, it is recommended that you approve an additional \$25,000 for this project.
